

JOB APPLICATION INFORMATION

Estates & Operations Manager

(FULL TIME, ALL YEAR ROUND)

South Hampstead High School – an independent day school of 900+ pupils, including approximately 265 girls in the Junior School and over 140 in the Sixth Form – welcomes girls aged 4 to 18 from across London. It is a very popular school and entry is competitive at all ages. Established in 1876, it is one of 25 schools and academies belonging to the Girls' Day School Trust. Located in leafy Hampstead, with the buzz of central London's cultural life close at hand, the school is very well served by public transport and there are excellent local amenities nearby.

Excellent academic results place us comfortably amongst the country's top schools, and our pupils leave us for some of the most prestigious universities in the country and worldwide – but there is so much more to an education here than the girls' headline achievements. Pupils go on to become prize-winning authors, ground-breaking scientists, passionate campaigners, successful entrepreneurs, distinguished lawyers and trailblazing creatives.

Working at South Hampstead is stimulating, challenging and fun. Pupils are intelligent and inquisitive, energetic and engaging. We offer competitive salaries, generous employee benefits – including opportunities for sabbaticals – and a warm, supportive environment. There is a strong emphasis on Continuous Professional Development and on supporting teachers to engage with leading education research.

THE GIRLS' DAY SCHOOL TRUST

South Hampstead High School was the ninth school to be established by the Girls' Day School Trust (GDST) in 1876.

Today, the GDST is the leading network of independent girls' schools in the UK.

Since its foundation in 1872, the GDST has been at the forefront of education for girls and a strong voice in promoting opportunities for young women. Through the Alumnae Network, this continues after the girls leave school.

"When I first stepped through the doors here, I knew that it was a very special place to be – the wonderful atmosphere, dedicated

staff and energetic girls, who are

— South Hampstead Teacher

such a pleasure to teach."

AIMS & ETHOS

At South Hampstead we believe that education should be a truly enriching experience. We believe in the power of knowledge as a tool for thought and creative endeavour, and a source of lifelong inspiration and curiosity.

In and out of the classroom, we want our pupils to explore the big questions; debate and discussion lie at the very heart of a South Hampstead education. We aim to create abundant opportunities for creative output and to encourage pupils to take risks. In our teaching, we do what we know works and put research and reflection at the heart of our professional development. Teaching is a noble profession and our staff are central to our success.

We aim to provide outstanding breadth of opportunity in our curricular and co-curricular programme and to open our pupils' minds to a myriad of possibilities. We believe that involvement in school life is a key factor in our pupils' happiness. But it's not just about taking part; we aim to instil in pupils a sense of purpose, pride and determination and the belief that they can compete on the biggest of stages.

We aim to create a warm, tolerant and kind community where girls can be themselves and make friends for life. We want them to play their part in our community and in the community beyond South Hampstead. The 21st century is a time of unique opportunities and challenges; we have a critical role to play in preparing our young women to live and thrive, work and lead in tomorrow's world.

TEACHING & LEARNING APPROACH

South Hampstead follows a curriculum that equips each girl with the means to develop her intellectual abilities as well as her personal and social values. Students are able to explore a deep and expansive body of knowledge, and to discover their strengths and interests via a broad, balanced range of academic, cultural and aesthetic subjects.

Pupils are intelligent, inquisitive, confident, energetic and talented. The programme of work helps to ensure that each girl is thoroughly prepared for the next stage in her life, whether it is transition into the Senior School, higher education or adulthood.

South Hampstead students love to learn. The store we set by the power of ideas is evident in the quality of the conversation, both inside and outside the classroom.

Our teaching is known for its rigour and its passion. In-depth subject knowledge and expertise are givens for all our teachers, but equally important is an innate ability to inspire the very best from each student, both as scholars and as individuals. With a colourful mosaic of enrichment opportunities available – academic societies, national competitions, leadership roles, independent learning projects, incredible speakers and exciting trips – every girl has the freedom to direct her learning and to flourish. Our ambition each year is that our pupils leave us as assured, adaptable, inspired individuals, ready to make their mark on the world and lead happy, successful lives.

"Throughout the school, pupils are highly motivated, articulate and have strongly developed skills for learning... they are self-aware, reflective and show initiative."

— ISI Report

BEYOND THE CLASSROOM

We are proud to be a busy, buzzy school with a lot going on. Each week there are well over 100 co-curricular activities for the girls to get involved in, before, during and after school. Regular guest speakers, a comprehensive enrichment programme, local and international trips, leadership opportunities and charitable endeavours combine to provide an exceptional range of experiences beyond the classroom.

South Hampstead has a well-established reputation in the creative arts. We welcome writers, poets and artists in residence and put on ambitious concerts and performances. Speaking up and speaking out is encouraged from the earliest years: we have an in-house debating coach and a strong track record in a range of public speaking competitions.

In sport, girls have the opportunity to participate in a wide range of activities, both as part of a team and as an individual – there are over 65 sporting clubs and teams to join, with state-of-theart facilities both on site and at our nearby 4-acre sports ground. Our aim is to cultivate a positive attitude towards recreational and competitive sport, developing the skills and team spirit needed for a lifetime enjoyment of sport.

PASTORAL CARE

Our school is lit up by the attributes that matter most here – thoughtfulness, open-heartedness, respect, courage and honesty.

At South Hampstead we aim to encourage every girl to discover her own aspirations and to run her own race with regards to her progress and achievements. Under our unique co-tutor system, no form tutor is responsible for more than 12 pupils throughout the Senior School. They make sure every girl is thriving: supported, making good progress and feeling fully involved in school life.

Mistakes are learned from and successes are shared: each girl is encouraged to consider how she engages with feedback and to communicate her own strengths. There's plenty of experience on hand from older pupils: buddies and peer mentors provide a friendly face and practical advice, and a fun programme of intrahouse activities regularly mixes the year groups, creating a real sense of togetherness and community.

Our programme of PSHE (Personal, Social and Health Education) prepares girls to go out into the world with confidence, inner strength and high self-esteem, ready to face challenges. There are also regular evening talks for parents, often reflecting the topics taught in class and as well as other issues on the minds of parents. We have a full-time nurse and counselling provision – it's completely normal for girls to sign up for sessions on any issue they like, completely free from any stigma. We understand how to educate girls, setting the feminist agenda and guiding well-rounded, well-grounded individuals to be the female leaders of the future.

Estates & Operations Manager

THE CURRICULUM

In the Junior School, girls are taught a range of fundamental movement skills. At Key Stage 2 the girls learn Netball, Dance, Football, Gymnastics, Cricket and Athletics. In EYFS and KS1 the focus is on developing fundamental movement skills, activities include basic skills in: netball, football, gymnastics, dance, tennis and athletics. There is also a large number of sports clubs offered to the Junior School pupils, which take place before and after school. We have an extensive senior school sports coaching programme, which creates a link with junior clubs.

In Years 7 to 9, the girls have one triple and one single PE lesson per week. The curriculum encompasses many sports including Netball, Football, Gymnastics, Dance, Cross Country, Badminton, Basketball, Cricket and Athletics. In Years 10 and 11, the girls have two double lessons per week, which includes one fitness and one games lesson. In the Sixth Form, the girls have one double lesson per week in which they opt to choose their preferred activity. The range of activities is extended to include: spinning, yoga, fitness suite, trampolining, British Military Fitness, pilates and netball. Pupils are encouraged to widen their experiences and take part in a varied programme, in some cases, with specialist coaches to deliver these courses.

BEYOND THE CURRICULUM

We have a great tradition of high achievement in the creative arts. Whether in Music, Drama, Art or Design and Technology, our girls are successful both in school and outside. There are many opportunities for them to perform and to exhibit their creative work throughout the school.

Music is at the very heart of school life, with a variety of major events each year and a host of smaller-scale concerts involving our many choirs, bands, ensembles and orchestras. It is our aim that every girl who comes to South Hampstead High School, regardless of her experience, accomplishment and aspirations, will have the opportunity, and every encouragement, to flourish as a musician.

Drama is packed with opportunities for all students to be involved both on stage and behind the scenes. There are many productions each year in both the Junior and Senior School, in which girls are encouraged to take an active part. We also participate in the annual Shakespeare Schools Festival and offer a wide variety of House Drama events, film making opportunities and master class workshops with external practitioners.

In Art, girls are encouraged to experiment and take risks while working within a fine arts framework. Students work with a range of media including textiles and sculpture. They also acquire skills in areas such as photography, filmmaking and animation.

Design and Technology is varied and very hands-on. Our older girls are regular award-winners in a number of competitions such as Young Inventor of the Year, Young Designer of the Year and Young Engineer of the Year.

Evidence of the talent we have here is displayed all around the school – paintings, sketches, photographs, sculptures and design projects that were created by our students are always on view.

In Sport, girls have the opportunity to participate in a wide range of activities, both as part of a team and as an individual, during regular lessons at our four-acre sports ground and in the gymnasium, or as part of our co-curricular programme. We currently offer a total of 20 different sports and in excess of 60 sporting clubs across the Junior and Senior Schools. There are regular overseas sport and music tours and overseas expeditions, as well as the more usual school visits at home and abroad. In the Senior School, girls typically spend three hours a week in Sport; in the Junior School, at least two hours. Specialist coaches work with the girls on occasion, and there is a Going for Gold programme for our most talented sportswomen.

The 4 acres of playing fields, squash courts and dance studio are some 10 minutes' walk away. Our aim is to cultivate a positive attitude towards recreational and competitive sport, developing the skills and team spirit needed for a lifetime enjoyment of sport.

CO-CURRICULAR

The PE Department runs a full and varied co-curricular programme, which promotes sporting opportunity and challenges each individual to achieve their potential in sport. Clubs take place before and after school and during the lunch break. Fixtures (for Years 4 to Sixth Form) take place regularly against local schools in Netball, Gymnastics, Football, Tennis, Athletics, Cross Country, Dance and Cricket. We often participate in Saturday tournaments in netball. We regularly enter teams into Girls' Day School Trust (GDST) rallies, Middlesex County tournaments, the London Youth Games and Borough championships. We currently have students representing their county or even nationally in a number of sports, supported by our Going for Gold programme. The Gym and Dance Shows, for both the Junior and Senior School pupils, are an annual highlight.

The Role

We are seeking to appoint a highly-organised individual to help deliver the school's aims and objectives by ensuring the provision of a fit for purpose, efficient and effective site and facilities service, and a safe, clean, welcoming and pleasant environment for staff, students and visitors which supports teaching and learning.

- Ensure that intruder alarms are set and all points of entry are
 properly secured outside school hours, that all entry control
 systems, locks and catches to external doors and windows are
 maintained in good working order, and that an efficient system
 for the recording of keys and entry codes used throughout the
 building is established and maintained.
- Arrange and participate in site cover by the Reception and Estates Team in term time and holidays, staffing all school activities and events, including the drawing up of shift and holiday rotas to adequately staff the Senior school between the hours of, typically, 6.45am and 10pm in term time and 6.45am to 7pm in School holidays.
- Ensure that all out of hours calls and emergencies are dealt with in a timely manner and respond as appropriate.
- Act as a key holder

PREMISES, PLANT AND EQUIPMENT

- Ensure that premises and grounds are maintained to a high standard in accordance with agreed programmes of planned maintenance, and that emergency repairs and issues are identified and actioned promptly, including those reported via the maintenance online ticket system (INCY).
- Ensure that all plant and equipment, for which the Estates team are responsible, is operational and maintained in a safe working condition through a specified programme of regular inspection and planned maintenance. Make sure that the Site Manager responsible maintains TechForge records as appropriate for all plant and equipment maintenance.

- Ensure that repairs to furniture, equipment and the fabric of the building are carried out in a timely manner to appropriate standards either by using suitably trained members of the Estates team or by use of an external contractor.
- Monitor the provision of heating, lighting, water, drainage and other services, taking regular readings of all meters, and reacting promptly to failures or hazards.
- Where services are provided by an external contractor (e.g. cleaning, grounds maintenance), monitor standards against specification on a regular basis, reporting back to the DFO as directed
- Ensure that all grounds are properly maintained including grass cutting, hedge trimming, tree care, planting of flower beds, clearing of leaves and general repairs to boundary fences, walls and other external features. Ensure that the external appearance of the school grounds and premises, including signage, supports the school's marketing initiatives.
- Attend with the DFO the termly leaseholders meeting at the Sports Ground and help manage the relationship with the Hampstead Cricket Club and Cumberland Lawn Tennis Club.
- Ensure that the Site Team has all necessary maintenance contracts in place and monitor the work of building and maintenance contractors on site to ensure that it is in accordance with specifications, health and safety requirements, CDM regulations and agreed arrangements for minimising disturbance to the school community and neighbours.
- Liaise with suppliers, contractors and architects or surveyors appointed by GDST Estates as required.
- Ensure that all contractors are compliant with GDST contractor competencies and that records are reviewed and updated annually.
- Ensure that the Site Team monitors energy efficiency ensuring that all controls are adjusted appropriately for out of school hours, weekends and holiday periods. Gas and electricity energy use is monitored using Energy Sparks. The Site Team should identify and investigate unusual usage as appropriate.
- Manage procedures in the event of fire, flood, breaking and entering, accident or major damage in accordance with school policy, ensuring that any event is logged and reported.
- Oversee the co-ordination of intra-office moves.
- Chair the weekly logistics meeting which plans the co-ordination of rooming, cleaning, catering and IT for school events as per the school calendar.
