Shaping the next 150 years

## A gift for the future

Our *150th Anniversary Campaign* seeks to raise £1.5 million to support bursaries and transform two key areas of the school:

- **The Roof Garden** - we plan to create a vibrant, green space that brings nature into daily school life: a biodiverse setting for outdoor learning, sensory exploration, shared conversation and creative inspiration.
- **The Gym & Studio** - we intend to transform existing space into a modern gym and wellness studio for physical activity, mindfulness, and emotional wellbeing.
